

## SpandexByYard.com: A New Exclusive Retail Outlet for Sportek Brand Spandex

Written by Australian Business

---

( [PRLEAP.COM](http://PRLEAP.COM) ) May 24, 2014 - Los Angeles, CA – SpandexByYard.com, a web based company that sells a variety of spandex fabrics at great prices, introduces their new website for consumers. The new website is accessible for anyone, not just businesses, allowing at home crafters to create unique fashions with their large variety of spandex. The website allows users to browse through the many different types and patterns, as well as save their favorites to the swatch wall to allow for comparison before making a purchase.

SpandexByYard.com offers customers an outlet for their creativity by offering a large variety of fabrics. Their selection includes nylon, printed, cotton and moisture management spandex. They also offer items such as stretch velvet, printed polar fleece and stretch mesh. Each product is available for purchase by the yard, which allows home users to purchase quality fabrics for their projects without needing to purchase in bulk quantities. Their products are strictly available online and are available for all retail customers.

Anyone that would like more information about SpandexByYard.com and the products that they offer for consumer purchase can visit them [online](#) or call 1-844-SPANDEX.

About SpandexByYard.com [SpandexByYard.com](http://SpandexByYard.com) offers the highest quality spandex products for sale online. They stand behind their quality and will offer replacement fabric for those that arrive damaged or for the incorrect color/style. SpandexByYard.com is a unique website that offers anyone the ability to purchase spandex for special projects at home with the ability to purchase as little as one yard of material. Each of their styles and colors are available for preview on their website and color cards are also available for purchase for customers to see the colors in person before purchasing material.
