

## Aurora Storage Announces a New Vice President of Sales and Marketing

Written by Australian Business

---

( [PRLEAP.COM](http://PRLEAP.COM) ) May 28, 2014 - Aurora, IL –Aurora Storage Products, a privately-owned company that manufactures commercial storage and filing solutions, has formally announced the addition of Mark Scelfo as Vice President of Sales and Marketing. Mark Scelfo has joined the company with an extensive sales, marketing and operations background in the office interiors industry with prior experience at firms like HON, Herman Miller, United Stationers and OfficeMax. He holds a BS degree in Marketing and Finance and will be helping Aurora Storage expand its sales, distribution and new product development efforts.

Aurora Storage Products provides storage and filing solutions for businesses and has been in business for the last 65 years. Their care for the environment and understanding of the limited amount of space for proper storage is what has made them a high profile company in recent years. They are proud to announce the addition of Mark Scelfo to their team to further enhance their sales and marketing department and to continue to help businesses in industries ranging from offices, libraries, schools, and law enforcement as well as everything in between. They are proud to provide quality shelving storage that helps companies maximize space and time as well as remain environmentally friendly.

Anyone that has any questions, concerns or is interested in the products that Aurora Storage Products has to offer can visit them [online](#) or call 1-800-277-1699.
