[Sila Heating and Air Conditioning is giving out flying discs at Super Sunday in West Chester.](#) ([PRLEAP.COM](http://PRLEAP.COM)) West Chester, PA, May 29, 2014 - On Sunday, June 1, 2014, there will be music and food, Moonbounce for the kiddies and Mechanical Bull Riding for the adventurous sort. It's Super Sunday in West Chester, and Gay Street, between Matlack and Darlington Streets will become a festive block party for all to enjoy from 11 AM to 5 PM.

So what is [Sila Heating and Air Conditioning](#) planning to do there? Have fun and meet the neighbors, just like everyone else, of course. Representatives from Sila will be on hand the entire day, handing out fun give-aways like flying discs and tote bags. And, if you just happen to have a question about your heating or air conditioning, they will happily answer them, too.

Caitlin Fischer, Marketing Coordinator for Sila, says, "We love being active in community events. Giving back to the areas where we live and work is a natural extension of our family run business. We are expanding our service area into West Chester and are looking forward to meeting homeowners and answering their heating and cooling questions."

If you are heading to Super Sunday in Downtown West Chester, enjoy the food, listen to the bands, check out the arts and crafts, but don't forget to stop by to say hello to the folks at the Sila Heating and Air Conditioning booth, too.
