( [PRLEAP.COM](http://PRLEAP.COM) ) June 2, 2014 - When it came to finding a new Western Sydney location, Neville and Rhonda Vassallo's Automatic Transmissions proved the perfect location for JAX Tyres. From June 2014, the N.A.T store will now supply tyres, wheels, brakes and suspension servicing to families living in the surrounding suburbs including Lidcome, Lakemba, Punchbowl, Belmore, Revesby, Canterbury, Greenacre and Chullora. The workshop space includes state of the art machinery for tyre fitting, wheel alignments, balancing and mechanical servicing while the customer waiting room and lounge features free WIFI, freshly ground coffee and fine teas.

The store on the corner of Clements Avenue and Canterbury Road is offering bonus offers during the month of June including an EFTPOS gift card up to \$100 upon redemption with the purchase of four Dunlop Direzza tyres. There's also a weekend away, driving Ferraris through Prancing Horse Drive Experiences when you buy four Pirelli tyres and provide the best written entry. Or, buy four Continental tyres and redeem your Conti Rewards mobile app to receive daily deals for a year. These include free Domino's pizzas, discounted sporting experiences and 2 for 1 movie tickets.

Purchase four new tyres from a range of respected brands, and a wheel alignment to qualify for the myjax platinum tyre maintenance plan. The programme includes over \$500 worth of savings for each qualifying vehicle and allows customers to access and track their tyre maintenance online, via [myjax.com.au](http://myjax.com.au). Following the recommended servicing using the periodical reminders within the programme provides significant discounts and bonuses while prolonging the life and performance of the purchase.

When buying Hankook High Performance Tyres, you can drive with piece of mind, knowing that if the tyre is irreparably damaged by a road hazard, it will be replaced free of charge. Details of the Hankook UHP Tyre Road Hazard Replacement Guarantee are available in-store or at [jax.com.au](http://jax.com.au).

JAX Tyres' interactive Touchpoint technology, combined with expert advice from staff, delivers all the information required to make an informed choice on products and services for the vehicle. This state of the art technology presents tyre, wheel and service selections on an easy to navigate touchscreen. Pricing to suit performance, safety and budget focused customers is listed for each tyre and service selected. JAX Tyres recommends servicing your vehicle and tyres at regular intervals to ensure the safety of vital components and is offering a Seasonal Vehicle Service from \$129 along with roadworthy advice and pink slips. Prices have never been more affordable for wheel packages with are plenty of options available to be viewed in store or online at [jax.com.au](http://jax.com.au)

The team of qualified mechanics and tyres fitters specialise in tyres, wheels, brakes and suspension servicing. Australian owned and established in 1949, JAX Tyres is unique in representing the top global manufacturing giants of the tyre industry. High performance passenger car, light truck and four-wheel drive (4x4) brands BFGoodrich, Bridgestone, Continental, Dunlop, Goodyear, Hankook, Maxxis, Michelin and Pirelli are available, together with value for money brand options. This provides a comprehensive customer choice through a mix of brands spanning the premium, major and budget market sectors for tyre sales in Australia. Utilising the latest tyre fitment technology, the store is capable of fitting run flat and large fitment tyres along with associated services of alignments, balancing, rotations and nitrogen inflation. JAX Tyres services over 60,000 of the Australian motoring public each month through a network of 80 stores along the Eastern Seaboard.

The new [JAX Tyres Bankstown store](#) is located at 143 Canterbury Road, trading from 7.45am to 5.30pm Monday to Friday. Saturday hours are 7:45am to 2pm. Phone (02) 9790 4108 to book your service.
