

( [PRLEAP.COM](http://PRLEAP.COM) ) June 3, 2014 - Chicago, IL - Ganesh Machinery, the popular machine tool industry experts, has announced their participation at this year's upcoming International Manufacturing Technology Show (IMTS) 2014. The major industrial trade show takes place every two years and is one of the largest of its kind, featuring over 1,900 exhibitors and attracting over 100,000 visitors. Ganesh Machinery will be located at Booth # S-8045 & S-8048, where they will introduce their new multi-tasking CNC lathe machines, high speed vertical machining center, and a heavy duty CNC big bore lathe. IMTS 2014 is slated to take place September 8-13, 2014 at McCormick Place, Chicago.

Ganesh Machinery is set to unveil their latest multi-tasking CNC lathes at booth # S-8045, located on the main floor. Visitors will be given demonstrations on the new Cyclone-52 TMY (single turret twin spindle 4 axis, CNC turn mill center), Cyclone 52-BY2 (" B" axis, 9 axis multi-tasking lathe 2" bar capacity, 36 tools are available with 18 driven tools & 12 driven B axis tools), and the Cyclone-32 CS (1.375" (36mm) bar capacity, with 27 tools and 11 live tools, parts catcher with conveyor, chip auger 10HP 6,000 RPM spindle).

In addition, Ganesh will display their VFM-2818 Express (vertical machining center), with 27.95" X 17.71" travel, CAT-40, 12,000 RPM inline direct-drive beltless spindle, rugged cross-roller linear guide-ways, 1,417 IPM rapid rates, and more. Also, attendees will be introduced to the Ganesh Heavy Duty CNC Big Bore Oil Country Lathe, which features both front and rear chuck mounts constructed with fine grain, high-density Meehanite processed cast iron.

Ganesh Machinery is looking forward to displaying their latest high quality machines at this year's IMTS 2014 event. They recommend interested parties visit their website today, <http://www.ganeshmachinery.com/>, to make an appointment for the upcoming event and to peruse their wide selection of multi-axis & multi-tasking CNC milling and turning machines, CNC Swiss machines, Manual & CNC Big Bore Oil Country Lathes, 3-5 Axis VMC options, CNC slant bed lathes, and more. Or call them at 1-888-542-6374 to speak to a live customer service representative.

About Ganesh Machinery Founded in March of 1985 with only a 1,200 sq. ft. facility, Ganesh Machinery has since grown into an industry powerhouse with a 15,000 sq. ft. facility, supported by a 40,000 sq. ft. warehouse. They are dedicated to excellent customer service with an emphasis on building and maintaining customer loyalty. They have sold and serviced machines to over 12,000 machine shops, technical schools, and more. They have a 4,000 sq. ft. showroom, fully stocked parts room, and an in-house training center.
