[Expat Tax Group](#)

, a partner firm of

[Capital Tax and Accounting Services](#)

has announced that their office has expanded their area of service to several new countries.

Expat Tax Group provides assistance to businesses and individuals on all matters related to international taxation. With the recent expansion of their offerings, the firm offers services for individuals and companies located in or with interests in the United States, India, China, Great Britain, Canada, Mexico, Iraq, Afghanistan, Saudi Arabia and the United Arab Emirates.

When asked about the recent announcement, lead accountant of the firm, Zachary Sahar, explained, "By expanding our service area to additional countries, Expat Tax Group is now able to better serve the needs of clients in the San Francisco area and beyond. This includes U.S. citizens that have investments in Europe, Asia and the Middle East and U.S. companies that conduct business overseas."

With this new service offering, the accountants at Expat Tax Group are now able to assist more foreign nationals who live, work or invest in the American businesses. Since the start of the firm, it has focused on providing sound tax advice to clients, and expanding their international coverage allowing them to continue to fulfill their commitment to assist clients with all of their international taxation needs.

About Expat Tax Group Expat Tax Service continues to accept new clients who require assistance to any and all matters related to international taxation. Expat Tax Group is a San Francisco CPA firm located in Walnut Creek, CA. The firm specializes in matters related to the tax treatment of international corporations and individuals from abroad. Among the services offered by the firm are tax planning, tax structuring, transfer pricing and consulting. The firm also has expertise in expatriate taxes, tax compliance and foreign tax credits.
