

Square1Leasing Announce Interest Free Leasing Deal

Written by Australian Business

(PRLEAP.COM) June 13, 2014 - Square1Leasing are known for their professional and personal service, combined with highly competitive offers for those looking to lease a car or van. These days leasing is becoming financially more appealing than ever financially, and the latest deal from Square1leasing has to be seen to be believed.

Square1 Leasing are offering an innovative interest free deal on new and used lease vehicles.

Square1Leasing have a deal that allows you to get an interest free deal on your next lease car. This is a great deal for people who need a deal that has no interest element and is compliant with sharia rules.

This is just one way in which Square1Leasing are thinking smarter to help their customers.

Jason Price of Square1Leasing.com said "we are always thinking of the best deals for our customers. This interest free deal allows customers to get a new vehicle without paying interest on the deal, which is great news for them, and ideal for someone who needs a new vehicle unexpectedly due to accident or breakdown. We can get them back up and running quickly with a new vehicle"

About Square1LeasingSquare1Leasing have been around for over 6 years, they have access to many limited offers with amazing discounts, and can source most cars on the market.
