

Ribbon Blender Ensures A Perfectly Flavored Cup Of Coffee Every Time

Written by Australian Business

August 20, 2014 - AL Khair Co. Ltd., Jeddah, Saudi Arabia is a commercial coffee roaster. In 2013, after commissioning a new state-of-the-art production facility, the company decided to improve its flavored coffee production process to increase capacity and reduce operating costs. To accomplish this, the company needed to purchase a new powder
