

## Chicken Express Debuts New Distribution Center / Cold Storage Warehouse in Burleson, Texas

Written by Australian Business

---

August 29, 2014 - Bob Moore Construction was the design/build contractor for the Chicken Express 89,581 SF distribution center / cold storage warehouse. The new distribution center was constructed with a blend of tilt-up construction on three sides, and insulated metal panels for the fourth wall and interior partitions of the freezer and cold
