(PRLEAP.COM) Voted one of the scariest scream parks in America by Hauntworld.com, Pure Terror Scream Park is back for 2013 to deliver one of the largest, most terrifying Haunted ScreamParks in Orange County, NY. This time we are back bigger and better than ever in a new location.

Pure Terror Screampark is pleased to announce that we are now located in Monroe, NY at the historic Museum Village. This year we have three all-new attractions for 2013. Not for the faint of heart. The attractions include the bigger, scarier House of Terror, The Crypt and Phobia. All of our monsters have been custom created only for Pure Terror Screampark and you will only see them here. Our monsters were designed by our talented Hollywood special effects team.
