BIRMINGHAM, Ala., Sept. 13, 2013 /PRNewswire/ -- Royal Cup, Inc., an importer, roaster and distributor of premium and specialty coffees and teas serving a broad range of customers across the United States and the Caribbean, today announced a wager with fellow Waffle House supplier, C.H. Guenther & Son, Inc., on the Alabama vs. Texas A&M game this Saturday.

Royal Cup, Inc., headquartered in Birmingham, Ala., and C.H. Guenther & Son, Inc., headquartered in San Antonio, Texas, both supply products to Waffle House. As staunch supporters of their respective state teams, they have decided to place a friendly wager on this Saturday's game. If Alabama wins, C.H. Guenther will provide free waffles and coffee for an entire day at a Waffle House location in Tuscaloosa, Ala. If Texas A&M wins, Royal Cup will provide a Waffle House food truck to serve complimentary waffles and coffee in College Station, Texas.

"Royal Cup likes to have fun with its customers and partners, and with all of the hype surrounding the game, we thought this would be a great way to showcase our loyalty to one of our state's teams," said Bill Smith Jr., chairman of the board of Royal Cup. "This is a friendly wager, and we are content with either outcome – but it will be a great victory when Alabama pulls out a win."
