

(PRLEAP.COM) "The Messages from Aura," a new book by Ivelisse Sant'drevon, has been released by Dorrance Publishing Co., Inc.

Women who possess a strong sense of love for life and follow their passion make for lively and outstanding members of society at large. As mothers, for example, they stand in good position to empower their sons and daughters to live powerful lives full of self-esteem.

In "The Messages from Aura," Ivelisse embarks on newly discovered affirmations that seek to be handy tools for women who need all the healing and the tools for transformation they can get.

These affirmations work around the fact that humans can be set in so many of their ways, accumulating life habits that prevent them from becoming the way they all set to be at the start of their lives.

About the Author:Ivelisse has dedicated her life to positively make a difference among people's lives. She has strengthened many people's beliefs in themselves and helped nurture their self-esteem. She has especially been able to do this with women, no matter their stage in life.

Also a healer, she started her journey and found many teachers who helped her along the way. Her own life transformed when she began living a holistic lifestyle. She took numerous courses on health, color therapy, and beauty image, along with exercise, aromatherapy, and intuitive intellect.

"The Messages from Aura" is a 78-page paperback with a retail price of \$17.00. The ISBN is 978-1-4349-1861-1. It was published by Dorrance Publishing Co., Inc of Pittsburgh, Pennsylvania.
