Johnny Depp

,
Mark Wahlberg

,
Eva Longoria
and the list goes on.

About Martin Katz: Martin Katz, Ltd. was founded in 1988 after Katz himself became known for designing and creating the most coveted jewels in the world. Renown for being the first independent jeweler to adorn Hollywood screen stars with magnificent jewels for high-profile events such as the Academy Awards, Martin Katz has since gained an international reputation and following among collectors and connoisseurs worldwide. The Martin Katz collection features signature contemporary designs of uncompromising quality and unmistakable craftsmanship. His passion and appreciation for rare, exceptional diamonds and precious stones crafted into designs with a 'youthful' attitude are hallmarks of his expertise and sophistication. Martin Katz jewels are available exclusively at his Beverly Hills salon on Brighton Way and Bergdorf Goodman in New York City.
