

Wink Bingo is Now Available on the Apple App Store Market

Written by Australian Business

GIBRALTAR, September 30, 2013 /PRNewswire/ --

Wink Bingo is now available on the Apple App Store market with its most popular games, along with a game collection exclusive to mobile

Wink Bingo, one of 888's Bingo premier bingo brands, is proud to announce that it's now available for download in the Apple App Store.

It hits the market with its most popular bingo rooms from the Wink Bingo site, as well as a selection of Wink's most popular slot games, such as Fluffy Favourites, Shaman's Dream & Temple of Isis. Players will also be able to play on an exclusive range of instant games specifically designed for usage on iphone or ipad. Both PC & mobile versions support new user registration and login using existing Wink Bingo account details. New players will also receive Wink Bingo's welcome bonus where they'll get £35 free, after making a deposit of just £10.

Ran Milo, B2C Bingo Director expressed his excitement at this important milestone for 888 Bingo, *'We're very excited to now offer a mobile presence to our players, who'll now be able to enjoy playing in their favourite bingo rooms or on slot games anytime, anywhere.'*

Ran Milo went on to say

,

We

,

re fully committed to extending our mobile offering even further. We also have some exciting mobile features coming soon to all of our bingo brands.

,

Other 888 Bingo brands such as *888ladies, Tasty Bingo, Posh Bingo & Red Bus Bingo* are already available on iphone, ipad and Android via Web Apps.
