

( [PRLEAP.COM](http://PRLEAP.COM) ) "Flower," a new book by Helen Ding, has been released by Dorrance Publishing Co., Inc.

Flower is not just another children's storybook. It's a journey through the mind of a naïve Chinese girl as she struggles to show the world that a complex young life can be survived against all odds.

Adults often forget the impact they have on young lives, but Flower's homegrown heart and wisdom shine above the world's attempts to smother her special surviving spirit inside. She's growing up fast, determined to understand what's important in life.

Life at any age can be difficult and sometimes only survived by maintaining a childlike, fairy-tale hope for a grand future. Flower shares her stories, smiling and dancing, in the hopes that readers young and old will adopt her attitude toward living a happy and meaningful life and realize the true importance of family.

"Flower" is a 54-page hardcover with a retail price of \$30.00. The ISBN is 978-1-4349-2935-8. It was published by Dorrance Publishing Co., Inc of Pittsburgh, Pennsylvania.
