

(PRLEAP.COM) "Point Blank One: The Blatant Truth about Relationships," a new book by Troy Williams, has been released by Dorrance Publishing Co., Inc.

Men are from Mars and women are from Venus-this has become quite a popular expression in our society today, denoting how very dissimilar men and women are. And the dynamics of these diversities are at the very core of successful (or not so successful) male-female relationships.

In this book, the author talks about the massive differences between the male and female psyches, and how they affect the foundation of a relationship. Through funny anecdotes and practical facts he's learned from a lifetime of experience, he'll share his point of view of the signs to watch out for before committing to a relationship-and what to expect if one doesn't watch out for them.

"Point Blank One: The Blatant Truth about Relationships" is a 72-page paperback with a retail price of \$9.00. The ISBN is 978-1-4349-1638-9. It was published by Dorrance Publishing Co., Inc of Pittsburgh, Pennsylvania.
