( [PRLEAP.COM](http://PRLEAP.COM) ) "Down for Yours," a new book by Sabrina Piggott, has been released by Dorrance Publishing Co., Inc.

How could best of friends Demetrius and Paul know that the moment they landed in Missouri for the annual Omega Phi Mega event, their lives would play out in a way none of them ever imagined?

Paul started things rolling when, meeting a woman named Sheryl, he realized that even fourteen years do not guarantee a lasting marriage in the face of a newfound love. Things just got a little too complicated when Demetrius, covering up for his best friend, discovered that Danita, Paul's wife, is just the kind of woman who is more than his match in outlook, taste, and yes-even in that most elusive object of all so far-love.

"Down for Yours: When your heart wants a relationship that challenges your friendship, marriage, and loyalty, you have to be sure..." by Sabrina L M Piggott is a refreshing probe into the sophisticated ways of people who yearn for more than their current share of life.

"Down for Yours" is a 324-page paperback with a retail price of \$25.00. The ISBN is 978-1-4349-2809-2. It was published by Dorrance Publishing Co., Inc of Pittsburgh, Pennsylvania.
