

(PRLEAP.COM) "If I Were," a new book by Jenny Gardner, has been released by Dorrance Publishing Co., Inc.

Children do the most unexpected things and Sawyer is by far no exception! In a blink of an eye he can imagine being a cork in his water wings at the water park pool or bouncing with a splash like an orca in the cold water. He can imagine himself twisting like a leaf tossed about by the wind or rolling through a pile of leaves like acorns do when they fall from the trees. Daddy's voice knows just how to bring Sawyer back to reality. Through all of his adventures, Sawyer reminds himself that he is after all a little boy!
