

(PRLEAP.COM) "I Believed Michael Jackson in Adrian the Thief of Hearts," a new book by Waalee D. Fajri, has been released by RoseDog Books.

Thief is recently released from federal prison, after the decision of a long-awaited appeal of bank robbery charges. He stumbles upon a DVD of the media-criminal mafia planning to have the superstar falsely indicted on child molestation charges to benefit their declining investment in the magazine, television, and newspaper industry or arrange his death.

FBI Agent Spoon wants him imprisoned forever, having investigated and arrested him on numerous acts of mayhem, including robbery, jewelry heists, murder-for-hire plots, and other commissions of crime. The Mob wants him dead or a one million dollar offer to return the tape.

Michael Jackson, with the assistance of The Nation of Islam's Minister, wants the tape to exonerate the superstar. But all Adrian ever wanted was fame and fortune and to return home to resume a failed relationship with Reagan and her son Ke'in, and to live happily ever after.

With the help of his Memphis friend (Pimp) and his illustrious call girl, will he dodge death, prison, or accept the money and sacrifice the world's most worshipped idol, Michael Jackson?
