

(PRLEAP.COM) "Rectifier: The Birth of a Hero," a new book by William I. Garrett, has been released by RoesDog Books.

What would you do if you acquired great power? Would you use it for the good of the people or would you abuse it?

Young Huntchio, orphaned at a young age and adopted by his mother's sister, grows to be a rambunctious youth along with his cousin, Tencen. One day Huntchio discovers his powers. Just like any youth he uses and abuses it for his own entertainment and sneaks out at night.

On one of his excursions he accidentally stumbles on an ancient vampire's plot to conquer and reign over the region she once ruled.

It's up to Huntchio and his homeroom class to snuff out this uprising and keep the shaky peace and the freedom they've so grown to love.

Locked and loaded, they are ready to make some fireworks.
