(PRLEAP.COM) "A Cry in the Wind," a new book by P.R. Watts, has been released by Dorrance Publishing Co., Inc.

What does it take to regain one's life? In "A Cry in the Wind: One Man's Obsession, One Woman's Curse," P. R. Watts narrates years of hell living under the fear and intimidation from the man who once meant everything to her. Jamaal was a deceptively good-looking human being who seemed decent enough, working while continuing to be in pursuit of education. Soon enough, the real person behind layers of smiles and contentment is unmasked; for P. R. Watts, it meant years of desperately trying to get away from a relationship that had become suffocatingly abusive, and more years trying to get Jamaal off her back and out of her life once and for all.

About the Author: P. R. Watts holds a degree in nursing and is currently employed as a Clinical Quality and Data Analyst. She lives in the same community where she grew up in southern California.

"A Cry in the Wind" is a 94-page hardcover with a retail price of \$13.00. The ISBN is 978-1-4349-1252-7. It was published by Dorrance Publishing Co., Inc of Pittsburgh, Pennsylvania.
