

Indian Author Publishes New Book "Fat Chance"

Written by Australian Business

(PRLEAP.COM) "Fat Chance," a new book by Leanino Haralu, has been released by RoseDog Books.

For every man or woman out there who is built for comfort, this is a book of great courage, funny and bizarre situations people find themselves in on their journey to self-discovery, and, hopefully, love.

As a woman who's been all shapes and sizes, the author Leanino Haralu knows firsthand what it means to feel absolutely and profoundly frustrated at yourself for reaching out for that one piece of cake you know you don't need. However, the beauty of life is, the sun will come out the next day and you will have another chance to meet the break of dawn with a change in attitude. Conflicts lead to answers to a problem even though it may not be the answer you were expecting to find.

"Fat Chance" is truly a story of inimitable cultural and societal paradoxes that doesn't fail to mystify the best of us, but teaches us nonetheless some valuable life lessons.

"Fat Chance" is a 82-page paperback with a retail price of \$9.00. The ISBN is 978-1-4809-3550-2. It was published by RoseDog Books, an imprint of Dorrance Publishing Co., Inc of Pittsburgh, Pennsylvania.
