([PRLEAP.COM](#)) [Franklin D. Murdock](#) an inspiring WWII Navy veteran, retired engineer, author of 5 books, blogger, networks on Facebook and nationally syndicated radio host is announcing the upcoming release of his latest book on the future; The Best is Yet to Come.

The Best is Yet to Come is a life alert when heeded, it will inform the reader to be prepared to recognize the delusional events predicted as this world experiences a radical change in preparation of a one world government.

[Franklin Dale Murdock](#) , born in Salt Lake City was the fourth of five boys and one girl and graduate of West High School with the class of 1939. He volunteered his service to the U.S. Navy in 1944 and spent one year in intensive schooling studying radio and radar electronics; serving on two different surface vessels before being discharged early in 1946. Following the military, he worked with Douglas Aircraft Company as a technician in the study of radio energy propagation/development of flush mounted antennae. He was general foreman of all engineering research and development laboratories before accepting a position of design project engineer for electronics and weapons systems for the A4 SKYHAWK airplane used by the Marines, U.S. Navy and several foreign countries. He retired after 34 years; when last of the A4 SKYHAWKS had been delivered. [Mr. Murdock](#) has authored: My Life in Poetry and The Absolute Truth, Blessing or Presumption and recently the updated new, revised edition of My Life in Poetry. Franklin is currently working on editing his next book, a memoir on his life and work.

[VerveStar](#) is inviting the press for announcements on the book and to interview the author.
