

(PRLEAP.COM) "Justin Doyle's I Am Nobody, I Am Somebody," a new book by Justin Doyle, has been released by Dorrance Publishing Co., Inc.

The 1960s meant cultural upheaval-street activism, radical ideas, free love, psychedelic substances, drugs, leniency bordering on indulgence, and sex-lots of it, and for much of the world.

Such is the world Justin Doyle finds-and in New York, no less. Growing up, he is nurtured by a loving, supportive family inside the house. Outside, the fun, easy life beckons, and with not much mind about anything else, the long ride took time to turn around-thirty years.

The trouble with such a life is it's virtually impossible to pinpoint where the miss has started to occur. For Justin, there is the chance that the rejection from his young girl friend, Pat, might have triggered it all, as he might have thought in his youth. With many of the people he loved dead, and those living still lost in their ways, would Justin still find the redemption he seeks?

About the Author:Justin Doyle is a part-time writer and full-time sous-chef in an upscale country in Central Pennsylvania. He has three children and has been engaged to his fiancée for twenty years.

"Justin Doyle's I Am Nobody, I Am Somebody" is a 110-page paperback with a retail price of \$11.00. The ISBN is 978-1-4349-3773-5. It was published by Dorrance Publishing Co., Inc of Pittsburgh, Pennsylvania.
