

(PRLEAP.COM) "Alpha: From Rebellion to Redemption," a new book by Savarski Wilson, has been released by Dorrance Publishing Co., Inc.

After banishing Satan and the rebellious angels from heaven, God creates earth and Adam and Eve. When Satan notices the relationship between God and the human beings, whom God calls His greatest creation of all, he is enraged. In an effort to get back at God, Satan and his demons develop a plan to trick Adam and Eve into eating the forbidden fruit, therefore turning the earth into a battleground between the forces of good and evil.

You may have heard the story of Creation before, but you've never heard it quite like this!

The author, Sarvarski Wilson, was prompted to write this book when he noticed the many problems in the world and realized that all of those problems could have been avoided if Adam and Eve had not disobeyed God. He hopes that readers can acquire from his book hope and inspiration from the fact that even though we messed up the perfect life we once had, we can still be forgiven and have a perfect life again one day-if we receive God's redemption.
