. The workshop is two separate one week sessions. Experience the life of a dancer during either or both of the one week programs designed for 6th grade to college age dancers. In each session students will take daily dance technique classes in various styles including

[ballet, contemporary, hip-hop, jazz, and tap](#)

. All classes and choreography are taught and created by professional dancers and teachers from the Greater Philadelphia area.

Dancers will be cast in performance pieces from solos and small groups to large production numbers. They will rehearse for a two-night, fully costumed black box theater performance. The first session runs from July 21st to July 25th, 9 AM to 3 PM. Auditions for performance pieces take place on July 20th. Performances are on July 25th and 26th at 7:30 PM. The second session runs from August 18th to August 22nd, 9 AM to 3 PM. Auditions for performance pieces take place on August 12th. Performances are on August 22nd and 23rd at 7:30 PM.

Both sessions of the 2013 [Institute of Dance Artistry Summer Intensive workshops](#) were considered a huge success. A week of total dance immersion moved the participants to a higher level of artistic and personal accomplishment. The dancers completed their Summer Intensive experience by performing their pieces in a fully-costumed, two-night show. The performances
