Pharrell recently announced a partnership with the United Nations Foundation to celebrate the annual global International Day of Happiness, Thursday, March 20. Drawing inspiration from the "Happy" videos fans worldwide have already posted, Pharrell encourages all his fans to post YouTube videos of themselves demonstrating their happiness to his hit "Happy" with the hashtag #HAPPYDAY and then register their submission at <http://24hoursofhappiness.com>. At noon on March 20 in each time zone, Pharrell will spotlight the best submissions on the site. Fans are also encouraged to use #HAPPYDAY throughout all social networks.

As part of this global digital engagement, people will be reminded that everyone deserves a chance at a happy, healthy life, and encouraged to make donations to support UN humanitarian efforts designed to increase those opportunities for the people who need it most. [Donate here](#).
