

(PRLEAP.COM) "Morning Star Verses," a new book by Joyce G. Bradshaw, has been released by Dorrance Publishing Co., Inc.

The poetry in "Morning Star Verses" is the result of many years of Bible study by the author. In leading adult Bible classes, the most successful ways of making Scripture understandable became focused on the use of poems. The verses that make up "Morning Star Verses" have been written over several years and will hopefully help readers to consider their acceptance of the Word and strengthen their faith in God.

Joyce G. Bradshaw spent her young adult years in New Jersey, where she was married and raised three daughters. She is now a proud great-grandmother with an ever growing number of family members. She resides in the back country of Central Texas where, when she is not writing, she takes care of stray cats, deer, and raccoons.

"Morning Star Verses" is a 56-page paperback with a retail price of \$8.00. The ISBN is 978-1-4809-0165-0. It was published by Dorrance Publishing Co., Inc of Pittsburgh, Pennsylvania.
