

(PRLEAP.COM) "In What World Do You Live?," a new book by Chief Luis Tijerina, has been released by Dorrance Publishing Co., Inc.

In What World Do You Live: You Have a Choice You Know? is an intriguing autobiography by Chief Luis Tijerina, aka Watching Wolf, of one man's struggle with a life overshadowed by drug and alcohol abuse. During this challenge, he searched deep within and listened intently to his 'inner voice' to initiate changes to the way he felt, thought, and responded to different events in his life. In doing so, he was able to discover a 'Higher Power' that led him from the Catholic Church, in which he was raised, to a new spiritual world inspired by his Native American heritage and culture.

To quote the author, "The purpose of this book is to bring you to an awareness of your inner self in the place where you reside in this world, physically, emotionally, psychologically, and spiritually. ...I have found that many parallel worlds reside together side by side, and it is up to me to put myself where I choose to be for the greater good." After all, "Nothing changes if nothing changes."

About the Author:Luis Tijerina is a native of Odessa, Texas. He started working in the field of computer technology right after graduating from high school. He opened an IT services business a few years later before he decided to work as a communications manager for an oil well services company. He married at the age of twenty-five and raised two children. He became the chief of the tribe in Trans-Pecos Region of Texas in 2005 and still acts as one to this day.
