Darkness suddenly arises and the world is threatened to face its ultimate end. One by one, the hopes of survival for the races that reside in this planet is rapidly fading. The only spark of hope that remains is found at the heart of the young, daredevil purple dragon called Jhin.

Thousands of years have passed since Bat, Hero of Dark, had to fight and face Ravenclaw for the world's existence. Now, a new force of evil has been conjured. With the reckoning power of the Shaddow Hydra and Bat's untimely cruel death, there seems to be nothing or no one that can stop Larvax's deadly plans-no one except Shaddou.

Following the clues and hints that are given to them, Jhin, together with the golden-yellow dragon, Saffron, must embark on an arduous journey that will decide the fate of the world and all of its inhabitants.
