

(PRLEAP.COM) "The Watchman's Book," a new book by Freddie Stacy, has been released by Dorrance Publishing Co., Inc.

"When I bring an army against a country, the people of that land choose a watchman. When the watchman sees the enemy coming, he blows the alarm to warn the people."

- Ezekiel 33:2-3 (New Living Translation) Many were considering our time as the last days-the period that Christians associate with the signs of the end of the systems of things, where the Devil pulls the last of his strings to create chaos, bewilderment, discouragement, and eventual falling from the faith or being misled from the faith. It is a period prior to Judgment Day where people all over the world, including Christians, are made to stand before God and Jesus Christ, to be declared as either righteous, therefore, getting a reward, or unrighteous and thus getting the retribution.

For the last days, like being in battle, God appointed Watchman of Day and of the Night as one of His watchmen to warn the people of the impending judgment so that they may repent and eventually be saved from the wrath of God and the punishment that comes with it. One of his commissions is to write a compilation of 1,240 verses from the different books of the Bible, which God had chosen Himself in a span of thirty-three years. The Watchman's Book, according to the author, "is the last warning offered by God before the return of the Lord Jesus Christ."

About the Author The author was born in Kansas City, Missouri, and grew up doing farm work. He emancipated himself from home at the age of thirteen and married at the age of seventeen. Right after his marriage, he started to learn welding, which became his job for forty-five years.
