(PRLEAP.COM) "Love is Like a Freight Train," a new book by John Patrick O'Connor, has been released by Dorrance Publishing Co., Inc.

This is a true story about a messed up kid who lost his way and was fortunate enough to have someone help him and smart enough to take help. It's a story about a woman who provided guidance, love, and belief in a young man and inspired him to believe in himself and realize his potential in life. It's also a story about a small-town kid who had nothing and shares his experiences as he worked and weaved his way through life and made something of himself. From hitchhiking to train hopping, some of these experiences are quite unique and unusual. This book should inspire readers to believe in themselves, set their goals, and do what is necessary to achieve them.

"Love is Like a Freight Train" is an 86-page paperback with a retail price of \$21.00. The ISBN is 978-1-4809-0562-7. It was published by Dorrance Publishing Co., Inc of Pittsburgh, Pennsylvania.
