

(PRLEAP.COM) "Finding Dimes," a new book by Maureen McHugh, has been released by Dorrance Publishing Co., Inc.

In a world full of chaos, crises, despair, and calamities, it is easy to dismiss life's little miracles, particularly God's presence, in everyone's life.

When Maureen McCormick McHugh's paternal grandfather and maternal grandmother passed away, she began to find nickels everywhere-in car seats, in sidewalks, or even her change from the grocery store. She first dismissed the signs, until she realized that whenever she prayed the hardest, it was when she always found the nickels. Pondering over the matter led her to believe that the nickels were signs her angels were listening to her. Later on, the nickels turned to dimes, a symbol of spiritual presence that helped her and her loved ones cope with unfortunate life situations, especially the battle with cancer and eventual death of their brother, Tim.

With the dimes appearance every now and then, apart from other symbols, she knows she would never be alone if life's uncertainties once again befall her. She knows in her heart that when death conquers her, God would let her be an angel to the loved ones she would leave behind, just like her grandpa, grandma, and Tim are doing to her now.
