Written by Australian Business

(PRLEAP.COM) "The Cursed Woman," a new book by Claudette Softleigh, has been released by Dorrance Publishing Co., Inc. "The Cursed Woman" tells of the author's journey through life.

The author relives her dark memories that have long shadowed her life. She remembers leaving her home, Guyana, for London, where she met and fell in love with Sammy. They were living happily until she became depressed. However, the author believed that there was something fundamentally wrong with her that caused the failure of her relationships. She felt as if an evil spirit that urged her to leave the men she loved possessed her.

Over the years, the author fought her inner demons. She prayed fervently to vanquish her negative thoughts and let the good spirit enter her heart. Nothing compared to her joy when she finally set herself free from lonely existence she herself created.

"The Cursed Woman" is a 74-page paperback with a retail price of \$9.00. The ISBN is 978-1-4349-2864-1. It was published by Dorrance Publishing Co., Inc of Pittsburgh, Pennsylvania.
