Packy was a very lonely elephant until he moved in with Susie's family. He loved being around Susie's children as well as her cat and two dogs. To show his love, Packy bought presents for all his new friends but did so using Susie's money without her permission! He was having such a hard time fitting in.

One day a storm came and flooded Susie's house, taking her pets along with the terrible stream of water. Packy did not want to lose his friends! What was he going to do?

In The Adventures of Packy, children learn the importance of love and friendship. Though no one is perfect, everyone can be accepted for who they are and the good they bring to the world.
