Planet Eye Coin is on the verge of falling apart due to the uprising initiated by its corrupt officials against the leader, Benjamin Franklin. But the rebels start expanding their forces outside Eye Coin in an attempt to take over Planet Earth. Not wanting the dark forces to claim the world of humans, Benjamin Franklin knows what Planet Earth needs: a savior.

In a world inhabited by vulnerable mortals, one young man will rise and bear the power of Eye Coin's most powerful amulets and fight against the forces empowered by the dark coins. Jeremy, the chosen one, will fight not only for Planet Earth and its people, but also for Eye Coin and in honor of its leader, from whom his powers came.
