Written by Australian Business

(PRLEAP.COM) July 8, 2014 - "Mookie's First Camping Trip," a new book by Connie Zakowski, has been released by RoseDog Books.

"Mookie's First Camping Trip" is the third book in Connie Zakowski's series. In this book, readers will see insects, animals and activities which Mookie and his friend Mikey experience. Children can relate to the many things they might have done while camping. Connie also incorporates The Insect Book during her story line.

As the Mookie series continues, each book will have an interaction page at the end of the story to see what the reader remembers. The children who already own the first two books are fascinated with this concept.

Connie hopes the readers are enjoying the Mookie series; the fourth book to come out is titled "Mookie's Trip to the Zoo."

About the Author: Connie Zakowski resides in southern Wisconsin. She is writing a series of books about a monkey named Mookie and a little boy.

"Mookie's First Camping Trip" is a 30-page paperback with a retail price of \$8.00. The ISBN is 978-1-4809-0607-5. It was published by RoseDog Books, an imprint of Dorrance Publishing Co., Inc of Pittsburgh, Pennsylvania.
