(PRLEAP.COM) July 8, 2014 - "The Christ's Shed Revelations," a new book by I Timothy, has been released by RoseDog Books.

This book's author, I Timothy, is a newly inspired Christian God and Christ's ordained layman minister of unprecedented verse by verse revelations on the Bible books Genesis and The Revelation. Therefore, the author's Christian God and Christ inspired him to fully search the Holy Spirit and Scriptures for the truth of their promised after-life to all their innumerable hopeful posthumous Christians.

About the Author:Included as a book reader's bonus for the author's inspired spiritual and scriptural after life search work, is the addition of his Lord Christ's detailed comprehensive theological and scientific related knowledge revelations about His Father God's eternal alpha and omega life evolution. Thus, in this book, the author's God and Christ answered all his innumerable, unanswered, common childhood and adulthood questions of curiosity about their existence and life. These questions and answers are nonetheless substantially presented in the book form of juxtaposition for readers' immediate comparative analysis of the book's parallel biblical quote verses with the author's spiritual Interpretations.
