

Science to Sage Magazine Unveils Enlightened View of Existence

Written by Australian Business

August 16, 2014 - This month's theme for the new issue of Science to Sage is Roots of Existence. Leading the way is a feature titled "Enlightenment & Existence" by Harvey Kraft, published author of "The Buddha from Babylon: The Lost History of Siddhartha Gautama." The article points out that 2,500 years ago the historical Buddha proposed a
