

Sustainable Energy Fund Announces Special 0% Financing Program

Written by Australian Business

Sustainable Energy Finance - Request for Applications – October 15, 2013 – January 15, 2014

LANCASTER, Penn., Oct. 11, 2013 /PRNewswire-USNewswire/ -- Jennifer Hopkins, President, Sustainable Energy Fund (SEF), announced today at the Annual Customer Appreciation Meeting of Richard's Energy Group, the introduction of SEF's new *Sustainable Energy Finance* program. The new *Sustainable Energy Finance* program is available to not-for-profit and governmental entities to complete energy efficiency or renewable energy projects. These are projects that reduce energy consumption from non-sustainable resources or generate energy from sustainable resources.

Sustainable Energy Fund will issue a Request for Applications for the new program on October 15, 2013

. Loans or leases will be made for projects between \$5,000 and \$90,000 on a first-come, first-serve basis until program funds are exhausted. The deadline for *Sustainable Energy Finance* application submissions is 4:00 p.m. (EST) on January 15, 2014

"The Sustainable Energy Fund's mission is assisting energy users in overcoming financial hurdles in implementing energy efficiency and renewable energy projects," stated Hopkins. "The *Sustainable Energy Finance* program assists not-for-profits which are often challenged when it comes to raising funds to reduce energy use," she added.

A sampling of project types that will be considered are:

- Solar Photovoltaic
