

Xpertdoc Wins 2013 SMA Innovation in Action Award for Migration of Legacy Documents

Written by Australian Business

MONTREAL, Sept. 18, 2013 /PRNewswire/ - [Xpertdoc](#) has earned the 2013 SMA Innovation in Action Award for Solution Providers for its patent-pending, automated migration process for legacy forms and templates.

"What earned Xpertdoc this award is the sheer scale of success that was achieved by their client in an area that has typically been plagued with challenges, delays, and significant conversion expenses," says Deb Smallwood, founder of Strategy Meets Action. "The purpose of this award is to champion an innovative technology solution or offering that provides game-changing capability to the insurance field, and the SMA Forum members recognized that Xpertdoc's migration process was the perfect fit."
