

REDWOOD CITY, Calif., Sept. 19, 2013 /PRNewswire/ -- [Outright](#) along with [Page Mage Inc.](#)

,
[eBay Radio](#)

,
[Stamps.com](#)

,
[Terapeak](#)

and

[Kabbage](#)

will be hosting a free webinar for eBay® sellers. Presented by

Bryan Goodman

and

Jason Smith

from [ThriftingWithTheBoys.com](#) / [ShippingWithTheBoys.com](#) with

Eric Nash

of [Stamps.com](#). Opening up your eBay listings to international sales is a great opportunity to grow revenue. However many sellers get scared away by the complexity of shipping packages overseas. Join

Bryan Goodman

and

Jason Smith

, known as Thrifting with the Boys and
Eric Nash

of [Stamps.com](#) as they show you how easy it is to ship internationally, and discuss common issues that come up with international package delivery.

Topics covered in this webinar:

- Selling & Shipping to International Markets
- Options for Shipping Internationally
- Understanding Customs Forms and Duties/Taxes
- Shipping to Problem Countries

Free eBay Seller Webinar - "Shipping Internationally - Best Practices to Get Your Orders Overseas"

Written by Australian Business

- How Tracking Works for International Packages
- Dealing with Lost International Packages

WHEN: Wednesday, October 2nd, from 10:00 a.m. – 11:00 a.m. PT / 1:00 – 2:00 p.m. ET

SIGN UP: <http://pagemage.com/education/webinars>

You do NOT have to be a Top Rated Seller to participate. The webinar is for eBay sellers of all sizes and levels. The webinar will be recorded and a link sent to all registrants when it's complete.

Who: Jason Smith and Bryan Goodman – Thrifting with the Boys

Jason Smith and Bryan Goodman are Top Rated Sellers who have each been selling on eBay for over 12 years. Nearly all of the products they sell come from thrift stores. Known in the eBay community as "Thrifting with the Boys," Jason and Bryan are regular guests on eBay Radio and have presented to standing room-only audiences at eBay on Location, the eBay Radio Party and other e-commerce events. They also serve as Worthologists for Worthopedia, lead a popular Facebook group and offer thrifting excursions. Jason and Bryan recently created a new shipping educational website called ShippingWithTheBoys.com, where they share knowledge, advice and success stories on how to ship products worldwide. About Stamps.com: If you're selling online through multiple sales channels, shipping can be a headache. Not with Stamps.com and the USPS. Stamps.com consolidates all your orders so you can ship them out with ease. With one click, you can directly import all of your order data from the most popular online marketplaces and shopping carts. When you're ready to ship, just select the orders and print your shipping labels. All the shipping data including USPS Tracking will automatically post back to your data source.

Top Rated Seller Webinars Sponsors:

About Outright [Outright](#) has one goal: to make bookkeeping as simple as possible so the self-employed can spend as little time as possible on the least enjoyable part of running a business. Outright's easy-to-use online accounting solution automatically brings together all of your sales & expenses in one place so you always know what's going on with your business and are ready come tax time. No math, no manual entry, no paper work. Outright integrates with eBay & PayPal, e-commerce accounts, and, of course, your Bank and Credit Card Accounts so you can stay up to date effortlessly and instead focus on doing what you love.

About Page Mage [Page Mage](#) is transforming the way sellers market their products on eBay. Page Mage provides easy to use applications for creating better listings and bigger profits. Our Billboards and Smart Gallery applications in the eBay App Center are both "Top 10 Most Popular" and let you create breakthrough listing designs to stand out from your competition, look more credible and professional, improve selling performance, and increase confidence among buyers.

About eBay Radio The host of [eBay Radio](#) is Jim "Griff" Griffith, eBay's Dean of Education and author of the Official eBay Bible. eBay Radio broadcasts (eBay Radio; eBay Radio's Ask Griff & Lee; and eBay Town Hall) feature helpful guidance, advice, and information from eBay team leaders and guest experts along with hot eBay topics, news direct from eBay, and your calls!

About Stamps.com [Stamps.com](#) is a leading provider of Internet-based postage services. Stamps.com's service enables small businesses, high-volume shippers, enterprise shippers, and consumers to print U.S. Postal Service-approved postage with just a PC, printer and Internet connection, right from their home or office. The Company targets its services to small businesses and home offices, and currently has PC Postage partnerships with Avery Dennison, Microsoft, HP, USPS and others.

About Terapeak [Terapeak](#) is a leader in ecommerce market research and payment analytics, and is the sole authorized re-licensor of eBay data globally. The company provides custom insights and SaaS technology-enabled solutions to e-commerce merchants around the world. Currently aggregating over 20% of all online commerce sales data, Terapeak helps merchants make faster, more-profitable business decisions based on real-time market trends,

pricing, and transaction data.

About Kabbage, Inc. Kabbage, Inc., headquartered in Atlanta, Georgia, has pioneered the first financial services data and technology platform to provide funding to small businesses in less than 7 minutes. Kabbage leverages data generated through business activity such as selling online, shipping data, and dozens of other data sources to understand business performance and craft financing options for small businesses.
