

ATLANTA, Oct. 2, 2013 /PRNewswire/ -- In April of this year, Cummins Power South announced plans for the expansion of its Cummins Power Generation business in the Caribbean. A vital part of the Caribbean expansion focuses on partnering with local businesses in the area to provide customers with Cummins world class support and exceptional service. Cummins Power South is pleased to announce Tess Truck & Equipment Sales and Services as the official Cummins Power Generation dealer in the Bahamas

.

Tess Truck & Equipment Sales and Services has been in business since the early 1970s providing industrial vehicles and equipment to the Bahama islands through their flagship of Bahamas Mack. Expanding upon their product offering, Tess Truck & Equipment Sales and Services will now provide the full line of Cummins Power Generation products from residential and light commercial generators to commercial generator sets and power systems. As the infrastructure in the Bahamas continues to grow, Tess Truck & Equipment Sales & Services, with the support of Cummins Power South, will help meet the energy needs of expanding industries such as healthcare, hospitality, government and water management as well as supply dependable backup emergency power for residential homes and communities throughout the islands. Tess Truck & Equipment Sales and Services will serve as the main source of Cummins Power Generation sales and service, offering legendary Cummins service as the only certified Cummins Power Generation dealer in the Bahamas.

Detailed information on Cummins Power South and the expansion in the Bahamas may be obtained by visiting the company's website at www.cumminspowersouth.com/bahamas/
