JACKSONVILLE, Fla., Oct. 2, 2013 /PRNewswire/ -- Earlier today, the board of directors of CSX Corporation (NYSE: CSX) approved a $0.15 per share quarterly dividend on the company's common stock. The dividend is payable on December 13, 2013, to shareholders of record at the close of business on November 29, 2013.

CSX, based in Jacksonville, Florida, is a premier transportation company. It provides rail, intermodal and rail-to-truck transload services and solutions to customers across a broad array of markets, including energy, industrial, construction, agricultural, and consumer products. For more than 185 years, CSX has played a critical role in the nation's economic expansion and industrial development. Its network connects every major metropolitan area in the eastern United States, where nearly two-thirds of the nation's population resides. It also links more than 240 short-line railroads and more than 70 ocean, river and lake ports with major population centers and small farming towns alike.
