

LONDON, October 8, 2013 /PRNewswire/ --

A prestigious London based limousine company have experienced a record breaking surge of bookings for their limousines, specifically for wedding hire of their high-end limos. The company has announced the rise in bookings for formal events such as weddings and believes this is due in part to their extensive range of limousines and classic cars which provide the ultimate in sophisticated travel to and from weddings and other special events.

The London based company 'Easy Limo' have a wide range of exclusive limousines and classic cars for hire, in order to perfectly meet clients needs for a range events. Their wedding selection includes ultra-slick, stylish and exceptionally high quality vehicles, making them ideal for the most important day of a couple's life.

"We offer you more than just a limo experience on your special day. We are committed to giving you the best experience ever on your wedding day and our team work hard to ensure that each wedding limo

has been tailored to your requests. Our expertise and attention to detail is second to none; why should you expect anything less on your wedding day?

"

Easy Limo Customer Services

The company are seeking to work with their clients in order to select the best package and vehicle to meet their specific needs, whilst also providing a professional chauffeur who will attend to every detail. Limousine wedding hire is proving an extremely attractive alternative to conventional classic cars as it's not only a stylish and striking way to arrive at the church, but it also gives the wedding party a luxurious way to travel from venue to venue.

'Easy Limo' currently offer comprehensive packages which also includes complimentary champagne on arrival. As the company is aware of how important wedding themes can be to the overall style of a wedding day, they also offer to organise flowers and ribbons to compliment the chosen wedding theme - removing one more stress from the brides day!

As a professional chauffeured limo hire company, 'Easy Limo' have a wide range of limousines and high end cars for wedding hire, including a leather upholstered Rolls Royce Phantom, a Baby Bentley Limousine - which has been fitted with a bar and sound system, a Chrysler 300 - with the addition of a bar, sound system and lighting and a specially selected Hummer H2 with stylish interior and exterior styling.

To view Easy Limo's stylish range of cars and limousines or to receive a no obligation quote, customers can visit the official website at <http://www.eaylimo.co.uk> or to speak to someone about your specific requirements please telephone 020-8997-2755.
