BETHESDA, Md., Oct. 8, 2013 /PRNewswire/ -- Transwestern and research affiliate, Delta Associates, today presented the 2013 Awards for Excellence in the Mid-Atlantic Apartment and Condominium Industries at the Mayflower Renaissance Washington, D.C. Hotel.

This is the seventeenth year Delta has awarded the honors, which were created to spotlight those who had reached milestones in the industry. The awards are based on independent factors such as lease-up or sales pace for an apartment or condominium building in both the Washington, D.C. and Baltimore metro areas.

Greystar Real Estate Partners, a fully integrated company offering expertise in multifamily management, development and investment throughout the United States, was the sponsor of today's events, along with Transwestern and Delta Associates.

Prior to the awards ceremony, Greg Leisch, Founder and CEO of Delta Associates, delivered a market overview and forecast presentation to more than 300 attendees. The market overview and awards presentation can both be downloaded at www.multifamilydc.com.

"Transwestern is honored to once again be part of Delta Associates' Awards for Excellence in the Mid-Atlantic Apartment and Condominium Industries," said Eric Mockler, president of

Transwestern's Mid-Atlantic region. "We appreciate Greystar's sponsorship and support of the event. Delta Associates' extraordinary insight into the multifamily industry makes them the thought leader in this product segment. It is great to have Greg Leisch and his team as part of the Transwestern family. This year's awards recipients truly deserve the recognition associated with this event."

Apartment and condominium communities from Washington, D.C., suburban Maryland, Virginia and Baltimore were recognized this year. The full list of recipients can be viewed here.
