

Top Commonwealth Officials to Update Financial Community on Puerto Rico's Fiscal and Economic Plans

SAN JUAN, Puerto Rico, Oct. 9, 2013 /PRNewswire-USNewswire/ -- The Government Development Bank for Puerto Rico (GDB) announced today that it will host a webcast on October 15, 2013 at 2 PM EDT to update the investor community on Puerto Rico's fiscal and economic plans.

GDB Interim President Jose V. Pagan Beauchamp said: "Puerto Rico continues to take significant steps to strengthen our fiscal situation and spur economic growth, and we look forward to updating the financial community on these measures, as well as recent tax revenues, our liquidity position, and our financing plans through the end of the year."

Details on how to access the webcast will be available shortly.
