

LOS ANGELES, Oct. 12, 2013 /PRNewswire-iReach/ -- Halfpricesoft.com (<http://www.halfpricesoft.com>)

announces that

[ezCheckPrinting](#)

customers can get the popular check writing software at \$0

when they check out through TrialPay offer from halfpricesoft.com site. With ezCheckPrinting, customers can print professional checks in house easily. EzCheckPrinting check writer can run on both Windows and Macintosh OS systems.

"It's a win-win-win-win situation: the customer gets free product, we make sales, the TrialPay advertiser makes sales, and TrialPay gets commissions. " said Dr Ge, the founder of halfpricesoft.com. "ezCheckPrinting can save small businesses time and money. We hope more customers can take advantage of this check writing software through this free offer."

The Windows version ezCheckPrinting has been in market for nearly one decade and is trusted by thousands of customers. ezCheckPrinting software for Mac was released in 2013 and comes with the same straightforward and user-friendly graphic interface as the Windows version.

This check writing software is speeds up check printing and bill paying for customers:

- print professional check with MICR encoding, logo and signature on blank stock
- print QuickBooks compatible blank check to fill in manually or by other software
- print check draft
- allow QuickBooks/Quicken users to print checks on blank stock in one step (Windows version only)
 - support multiple accounts and unlimited checks
 - Print checks on blank check stock or pre-printed checks in check-on-top, check-in-middle, or check-on-bottom formats

Writing a check is really easy with ezCheckPrinting! All customers have to do is to enter the date, payee's name and amount payable to the payee. This check writer will automatically convert numbers to words. Clients can write and print a check with just a few clicks. Potential customers can download the free trial version at http://www.halfpricesoft.com/check_printing_software_download.asp with no cost and no obligation.

Starting at just \$39 per installation (Free through TrialPay offer), ezCheckPrinting is affordable for any size business and is compatible with all popular brands of laser printers (most of which can print bank-accepted MICR numbers) and specialized MICR printers.
