

HOUSTON, Sept. 30, 2013 /PRNewswire-iReach/ -- CigReviews is proud to be working once again in conjunction with V2, an internationally recognized electronic cigarette manufacturer, to offer the [V2 Ultimate Starter Kit](#) during this year's football season.

"We're excited to be working with V2, an internationally recognized electronic cigarette manufacturer," says Mark Wunder, CEO of CigReviews.com, a leading website for e-cigarette reviews and coupons. "V2 offers a quality product, and the Ultimate Starter Kit is a great way to introduce new and old e-cig users alike to the brand."

The V2 Ultimate Starter Kit is customizable and includes:

- Five 5-pack flavor cartridges available in a variety of flavors
- Three standard batteries for charging e-cigs on the go
- Two cases, including a metal carry case and a portable charging case
- One accessories kit, featuring a V2 charger kit, car adapter, V2 power-cig and lanyard.

Lucky football fans who "Guess the Score" of each Monday night football game this season will be rewarded with a free Ultimate Starter Kit—a retail value of \$179.95. Those interested in participating in the contest can enter by visiting

, where they can enter their guess as a reply/comment to each weekly game post.

According to Wunder, the contest will run weekly throughout the current football season, giving everyone ample opportunity to enter and win.

"The V2 starter kit is a tremendous prize for anyone, but especially for someone who is looking for a substitute for traditional tobacco-based cigarettes," Wunder concludes. "V2 really does offer a quality smokeless alternative to conventional cigarettes at a fraction of the cost."

Giveaway rules include:

- Entrants must clearly indicate the score they believe each team will finish with, even if overtime is applicable.
- The winner will be determined by CigReviews.com.
- In the event of a tie, the start kit will go to the person who is closest on point count without going over the game's final score.
