

LATROBE, Pa., Oct. 23, 2013 /PRNewswire/ -- Kennametal Inc. (NYSE: [KMT](#)) announced today that its Chairman, President and Chief Executive Officer, Carlos M. Cardoso, as well as key members of the senior management team, will provide an update on the company's strategies at a meeting with the financial community on Wednesday, November 6, in New York City.

The formal presentation is scheduled for 8:30 a.m. Eastern time and is expected to end by 11:30 a.m. This meeting event will be broadcast live on the company's website, www.kennametal.com. The replay will be available through December 6, 2013. Once on the homepage, select "About Us", "Investor Relations", and then "Events".

Celebrating its 75th year as an industrial technology leader, Kennametal Inc. delivers productivity to customers seeking peak performance in demanding environments. The company provides innovative wear-resistant products and application engineering backed by advanced material science, serving customers in 60 countries across diverse sectors of aerospace, earthworks, energy, industrial production, transportation and infrastructure. With approximately 13,000 employees and nearly \$3 billion in sales, the company realizes half of its revenue from outside North America, and 40% globally from innovations introduced in the past five years. Recognized among the "World's Most Ethical Companies" (Ethisphere); "Outstanding Corporate Innovator" (Product Development Management Association); and "America's Safest Companies" (EHS Today) with a focus on 100% safety, Kennametal and its foundation invest in technical education, industrial technologies and material science to deliver the promise of progress and economic prosperity to people everywhere. For more information, visit the company's website at www.kennametal.com.
